

## Aftersales and Parts

Dear Dealers,

We at MOPAR Parts Team SA wish you a happy and prosperous 2014, thank you all for a great 2013. A year that was rattled with changes and challenges and we all helped each other through.

Accessories will be a key priority focus area this year. We will continue to offer you special packages and promotions to boost awareness of the MOPAR brand.

A few lines for this year are:

- Display cabinets
- Accessorised Vehicles

- MOPAR accessories on Fiat
- MOPAR merchandise

We are looking forward to participation from all dealers on the above mentioned.
